

## **Comprehensive Planning Committee Meeting Minutes For the April 11, 2006 Special Meeting**

### **Committee Members Present**

Chairman Lowe, Jack Steed, Chuck Shaheen, Bob Hubbard, Chuck Ramsdale

### **Staff Present**

Patrick Eidson, Steve Engle, Jacob Cox, Jesse Fountain.

- A. Chairman Lowe's first order of business was to discuss setting a date and time for future CPC meetings to improve attendance. After discussion among the Committee members, it was decided that a vote by the full Committee on whether the times of 8:00 a.m. or 4:00 p.m. on Wednesdays would be better for the Committee members and if meeting at Warner Robins City Hall or the County Annex would be preferred.
- B. The next point of discussion was the need to have Phil Clarke give the CPC an update on when the remaining elements on the Community Assessment portion of the plan will be complete. There is some concern that we are behind schedule.
- C. A final point of discussion was the need to develop presentations for the public meetings that are planned to occur in mid-May – with one meeting in Warner Robins and the other in Perry. Firm locations, dates, times, announcement to the public and meeting agenda need to be completed.

It was agreed by the Committee that the following points would be brought up for discussion or vote at the Wednesday, April 19, meeting of the full CPC at Warner Robins City Hall.

- A. Schedule of Future CPC Meetings
- B. Update from Phil Clark on completion of community assessment planning elements
- C. Schedule and Development of public meeting positions in May

**The next Committee meeting is scheduled for Wednesday, April 19, at 8:30 a.m. at Warner Robins City Hall.**

With no further discussion, the meeting was adjourned by Chairman Lowe.

Minutes submitted by Jacob Cox, Community Planner – 542-2117.
